
Title: Against Materialism

Author: Soter

These words are meant
to shine light on the
growing trend towards
materialism which has
infested Sosarian culture.
These are the words of
the mother Goddess as
written down by her
devoted follower.

To the Parents:
Parents, be an example
of purity and goodness
and disciplinarians in your
homes. Your children
enter outside your doors
into a world of ravenous
wolves ready to devour
their spirit and crush
them, until they cannot
rise above the darkness
without your help and
guidance. You cannot, at
this time, turn them over
to others to teach the
way; you must do this
now yourselves! Take
yourselves away from
your daily pursuits, your
seekings of worldly gain
and materialism, pleasures
of the flesh! For what?
You cast aside the true
way, and you go farther
into the darkness and
meet daemons and their
consorts.

To the Children
My children, understand
Us: We do not come with
messages to upset you or
to make you afearred of
Us. That is not
necessary. All you have
to do is think, and use
your hearts, not just
your head; I say not just

your head, for the
scientist and those who
are in charge of the
souls of your children are
implanting in these souls
dark seeds of hate, and
envy, and the need for
materialism. O My
children, I could repeat
over and over again the
sins that make it a world
of destruction for those
who are trying to stay
on the narrow road to
Bliss, while all obstacles
are placed in his way.
To the Leaders
Leaders, you must pray
now and do much penance.
A great War is
approaching humanity, a
war in which nations shall
vanish from Sosaria.
There will be much
weeping and gnashing of
teeth. Woe to the
inhabitants of Malas who
have neither counselled
the young nor sought to
change the course of
destruction that they
have allowed to progress
on. Because of their love
of materialism and their
love of what they claim
to be virtue, and their
love of worldly gain in
power, man has now been
abandoned by the forces
of light to seek his own
way now, a way that he
has chosen to be covered
with errors and spiritual
darkness.

To Sanctus in Particular:
Our hearts are greatly
saddened by the evils and
abominations being
committed in the houses
of the Mother throughout
the world. Man has given
himself to all pleasures
of the flesh. Luxury in
your country, My children,
has been your downfall,
for you have forgotten
your God and you have

starved your soul.
